VETERINARY CERTIFICATE

Horse: Real Steel x Aspen Summit '20

Signalment: Bay yearling colt

Brands: Left shoulder = Jockey cap over three conjoined diamonds
Right shoulder = 14 over 0

Microchip: 985100012180815

Examined at: Barn T, Magic Millions, BUNDALL QLD 4217

At the request of *Mr David Mourad*, as agent for Import Racing, a veterinary examination of the above horse was undertaken at the Magic Millions Sales Complex, Bundall, Queensland on the 31st May, 2022. The purpose of the examination was to provide a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication by Import Racing.

Clinical Examination

The clinical examination included heart, ophthalmic eye examination, teeth examination, limb flexion and joint palpation which were normal. The examination also included an appraisal of the sales radiographs for the horse that were provided to the Repository. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia. There were two descended testicles palpable in the scrotum.

In my opinion, at this time, the Real Steel x Aspen Summit '20 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. Real Steel x Aspen Summit '20 is suitable for public syndication and mortality insurance.

I confirm that I do not have any current or intended future financial or other interest in the above mentioned horse, the proposed syndication or Import Racing and this letter may be relied upon by prospective investors who invest in the horse.

Yours sincerely,

Dr Trent Jorgensen B.V.Sc

Yours sincerely,

Dr Chris Lawler BVSc

This certificate has been prepared for inclusion in the disclosure statement issued by the Syndicate and at the time of examination can be relied upon as a true document. The issuing veterinarian has no financial or other interest in the Syndicate or monies raised by the Syndicate. The examination was performed using EVA guidelines.
