VETERINARY CERTIFICATE

Horse: Spirit of Boom x Lady Grazier '23

Signalment: Bay yearling colt

Brands: Left shoulder = AA dot over lineal bird
Right shoulder = 2 over 3

Microchip: 985100012226179

Examined at: Eureka Stud, Barn D, Magic Millions, Bundall, Queensland

At the request of *Mr David Mourad* of Import Racing, a veterinary examination of the above horse was undertaken at the Magic Millions Complex, Bundall on the 25th March, 2025. The purpose of the examination was to provide a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication by Import Racing.

Clinical Examination

The clinical examination included heart, teeth examination, ophthalmic examination, limb flexion and joint palpation which were normal. The examination also included a review of the radiographs for the above horse provided in the repository. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia. There were two descended testicles palpable in the scrotum.

In my opinion, at this time, the Spirit of Boom x Lady Grazier '23 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. Spirit of Boom x Lady Grazier '23 is suitable for public syndication and mortality insurance.

I confirm that I do not have any current or intended future financial or other interest in the above-mentioned horse, the proposed syndication or Import Racing and this letter may be relied upon by prospective investors who invest in the horse.

Yours sincerely,

Dr Chris Lawler BVSc

This certificate has been prepared for inclusion in the disclosure statement issued by the Syndicate and at the time of examination can be relied upon as a true document.
